

Invitation for Belkasoft Certified Examiner Training and ATP Partnership

Dear Mr. Vaibhav Sakhare,

We are pleased to invite you to attend the upcoming 3-day Belkasoft Certified Examiner Training Programme to be held in Phuket, Thailand, on 28th, 29th, and 30th June.

This executive-level training programme is designed to provide advanced knowledge and practical expertise in digital forensic investigations using Belkasoft technologies. Upon successful completion of the training and certification examination, you will obtain the prestigious Belkasoft Certified Examiner (BelkaCE) status.

In addition, we would also like to invite Kwick Forensics India to join our Authorized Training Partner (ATP) Programme, enabling your organization to become an official Belkasoft Authorized Training Partner across India. This partnership will allow your team to deliver certified Belkasoft training programmes throughout the country with access to official training materials, ongoing technical support, and collaboration opportunities with Belkasoft.

The training will also expose participants to the latest Belkasoft software features, AI-driven investigation capabilities, international best practices, and advanced methodologies for handling emerging digital crimes and forensic investigations.

The training fee is GBP £3,000 per participant.

Participants are requested to arrive on 27th June, with departures scheduled for the evening of 30th June or thereafter.

We would appreciate your confirmation as soon as possible within this week due to limited availability.

Please feel free to contact me should you require any additional information.

Regards,

Arvinder Garcha
Global SVP Belkasoft
